

PeeWee Show Guidelines:

The Pee Wee Shows at the Boone County Fair (used to be called Pre 4-H Shows) are to encourage youth to participate in livestock exhibition at a young age. We hope these youth will foster an excitement to join 4-H and FFA and participate in livestock projects at the Fair in future years. These classes are open to any youth who fit the rules below.

General Rules:

- Open to children ages 5 (on or before July 1st) to 8 (or not yet able to enter 4-H)
- Participants must fill out and return an entry form to the Fair Office by July 1st. (Late entries will be accepted, but prizes may not be given to those individuals.)
- Child does not have to own their the animal, (borrowing is acceptable)
- All animals must pass vet inspections upon entering the fairgrounds
- The Fair Board is not responsible for marketing animals.
- All PeeWee animals will be released after their show.
